From 1st April, 1982, the Corporation switched over to cash system of accounting for all heads of accounts of profit and loss account. The preparation of accounts on cash basis is not only opposed to the basic concept of mercantile system but also not in conformity with the provisions of section 35 (2) of the State Financial Corporation's Act, 1951 and schedule 'A' & 'B' of Regulation 64 of the General Regulations.

CASE NO. 64/86

S/Shri Jwala Singh, Tilak Raj .. Petitioners.

Versus

M/s Salecha Cables, Mehatpur (Una) .. Respondents.

Shri Pyare Lal Bery, Authorised representative of the petitioners.

Shri Rattan Lal Kaith, Authorised representative of the respondents.

## AWARD

The respondent management is a manufacturing concern. It has its factory at Mehatpur, District Una

(Himachal Pradesh). In all they have employed 29 workmen in the factory to man their different departments. Beside, the workmen, they have employed an Engineer. The factory started production in or about the year 1974. Tilk Raj and Jwal. Singh petitioners had been employed in the maintenance section as turner and as fitter on the report of their Engineer. This section has been abolished and their services have been retrenched w.e.f. 7-10-85. Both the workmen raised an Industrial Dispute and vide notification, dated 3-3-1986, the following question has been referred for adjudication to this court:-

"Whether the termination of the services of Shri Jwal. Singh fitter and Tilk Raj Turner is justified. If not, to what relief and compensation, they are entitled to".

Both the workmen have filed their claim petition and have stated that they have been victimized because of their trade union activities. It has also been contended that the respondent management had tried to show that all the legal obligation had been performed. It has also been contended that the condition precedent as provided in section 25 F of the Industrial Disputes Act, 1947 have not been complied with and hence the retrenchment is illegal and unjustified. It has also been contended by them that they were the office bearers of the workmen's union but it has not been said as to what office, they were holding.

In their written reply, the respondent management has refuted all the allegation made by the workmen and have justified their retrenchment stating that their services were no more required and that economically the department of maintenance where the two workmen were working had been abolished on economic grounds. It has further been contended that the notice of retrenchment and the compensation which is required to be paid at the time of retrenchment to these workmen, had been offered but they have not accepted the compensation.

From these averments, the following issues arose and have been framed by me on 11-5-1986:-

(1) Whether the retrenchment of the petitioners is legal and justified. If not, to what benefits, the petitioners are entitled to? (OPR).

(2) Relief.

In support of their contention, the respondent management has examined three witnesses and tendered in evidence Exhibits R-1 to R-46.

G.N. Parohit, RW-1 is the Accountant of the respondent. He prepares the Wage Bill of the workmen. He states that the services of the workmen have been retrenched vide order dated 7-10-1985, EXR-1, and this order was served on them vide EXR-2. He further states that the retrenchment compensation was calculated and this was enclosed along with the retrenchment order EXR-2. The retrenchment compensation so calculated is clearly mentioned EXR-3 and EXR-4. He further states that both the workmen have not accepted the retrenchment compensation tendered to them vide letter EXR-5, dated 7-10-1985. He further states that this amount was actually withdrawn to be paid to the workmen and it was later on sent by Bank Drafts to the workmen, who had not received even the registered letter. These registered letters, the A.D. receipts were sent to the workmen are R-6 to R-13.

He has further stated that he has maintained the accounts of the maintenance section for the period from 1981 to 1985. The copies of documents are R-14 to R-29. He has also stated that after the closing of the maintenance section, where these two workmen were working, the repairs have been got done locally by employing appropriate persons.

This witness has been cross examined at length but nothing has been brought out to discredit his testimony.

Arvind Kumar, RW-2, is the Engineer of the respondent management. He has proved his report in which he has recommended the closing of the maintenance section

where these two workmen had been employed. His report, dated 6-8-1985 is EXR-30. It reads as under:

To  
The Director,  
Salecha Cables, Pvt. Ltd. Mehatpur.

Sir,  
I have been verbally impressing upon the management that it was not possible to run the maintenance section on account of the fact that jobs of skilled and highly skilled nature cannot be undertaken by the present turner and fitter, S/Shri Tilak Raj Dhiman and Jawala Singh respectively.

After assessing the whole situation, I am of the firm view that we should close down our maintenance section. It will be seen from the amount spent by the company on the maintenance jobs, that our workmen S/Shri Tilak Raj Dhiman and Jawala Singh have practically no work in the factory because of lack of knowledge of undertaking repairs of machines installed by us to run the factory. We are inviting maintenance personnel from other agencies, time to time.

S/Shri Tilak Raj Dhiman and Jawala Singh can only undertake minor repairs and from the past experience, I find that both of them have worked hardly for 3-4 days in a month. These minor repairs can be got down from local market also.

Needless to say that the maintenance section was opened because of the fact that initially when we started the factory, there was no facility available in Mehatpur, Una and Nangal areas to get the minor maintenance job done. Since Mehatpur Industrial Complex has developed and the local market has expanded, the infrastructure presently available can meet with our requirements to the utmost satisfaction.

In view of the above, I strongly recommend that the maintenance section, which has become unviable, should be closed down with immediate effect.

With regards

Sd/-  
A. K. PARIKH,  
Engineer.

Shri B. L. Komath, RW-3 is the Director of the respondent management since 1984. In fact he had joined the respondent management as a manager in the year, 1976. According to him, on the basis of the report EXR-30, the maintenance section was abolished and the services of the petitioners were retrenched. The notice of retrenchment and the order of retrenchment compensation duly calculated by the accounts branch had also been proved by him.

These documents are EXR-36 to EXR-46. This witness had been cross examined at length but nothing has been brought out to discredit his testimony.

Jawala Singh workman has appeared as PW-1. He has stated that the report submitted by RW-2, Arvind Kumar is not based on the facts of this case. He has stated that without the turner and fitter being employed, the factory cannot run. He has also stated that both the workmen had been victimised because both of them were having interest in the trade union activities. He has denied the service of the notice and the payment of the compensation. Similar is the statement of Shri Tilak Raj, who had appeared as PW-2.

It is established principle of law that the employer has got the right to retrench the economic dead weight of surplussage of labour. It is inherent in his right to maintain his business subject of course to the condition prescribed in the Industrial Disputes Act (Reference is made to A.I.R. 1970 Supreme Court-Page 1334), A.I.R. 1958-Supreme Court-Page 1012) and 1963 (2 L.J. Page 87).

In the present case, on the basis of the report EXR-30 submitted to the concerned authorities by the

RW-2, Arvind Kumar justifies the closing of the maintenance unit and as a consequence thereof, the retrenchment of Jawala Singh and Tilak Raj, workmen.

The next question to be considered is as to whether this retrenchment, is valid under section 25F of the Industrial Disputes Act, 1947. In order to prove valid retrenchment, the respondent management has to prove; (a) The service of one month's notice in writing, for retrenchment with reasons, (b) The payment of retrenchment compensation, and (c) The service of the notice.

In this case, on the basis of the evidence adduced by the respondent management, both documentary and oral, I think it has been established very clearly that notice was served on the workmen on 7-10-1985 along with the retrenchment compensation. They have, however, refused to accept the compensation. They have received the notices but they have not signed any receipt in taken thereof. The respondent management made sincere efforts to pay the compensation and they had actually sent the amount of compensation to the workmen per registered post but they have not accepted the same. EXR-5, dated 7-10-1985, is the notice which had been served on the workmen. The endorsement in Hindi at the foot of this notice shows that both the workmen received the notice of retrenchment but they have not signed any receipt in taken thereof. It is also clear from this endorsement that the amount of this retrenchment compensation had also not been received by these workmen. In the present circumstances, I think that it is sufficient compliance with the requirement of payment of the retrenchment compensation as provided for under section 25 F of the Industrial Disputes Act, 1947.

The workmen have not been able to prove that the respondent management is guilty of unfair labour practice and their retrenchment is the result of victimisation because of their trade union activities.

In view of these considerations, I hold that the retrenchment of Jawala Singh and Tilak Raj is valid and in accordance with the provisions of the Industrial Disputes Act, 1947, I decide this issue accordingly in favour of the respondent management and against the workmen.

#### RELIEF

In view of my findings on issue No. 1, this reference be answered in the negative. The retrenchment of both the workmen is valid. They are not entitled to any relief or compensation. They have not received the retrenchment compensation as offered to them. They will receive this compensation from the respondent management for which they will call on the respondent management in their office at Mehatpur and will receive the compensation by giving them a receipt. The parties are left to bear their own cost of these proceedings. Let this award be published in due course. The copies of this award, if applied for, may be furnished to the parties free of costs.

After a protracted enquiry, wherein 13 witnesses were examined by the respondent management, the Petitioner was also examined by the Enquiry Officer. The Enquiry Officer in his report, En.R-2 dated 21-7-1983, found the Petitioner guilty on all these charges. The disciplinary authority i.e. Manager (Electrical) Baira Siul Project Surgani vide his order dated 9-3-1983, imposed the penalty of dismissal on the Petitioner w.e.f. 9-3-1983 (P.N.). The Petitioner went in appal against this order of punishment and the Appeal to Authority i.e. the Chief Project Manager—um-Appeal authority, Baira Siul Project, Surgani, District Chamba vide his order, dated 30-6-1983. He maintained the findings of guilty on all the charges mentioned above, and imposed the punishment of removal from service w.e.f. 9-3-1983.

The Petitioner raises' on an Industrial Dispute and the Government of Himachal Pradesh has referred the following question for the determination of this Court:—

"Whether the removal of Shri Surjit Singh Dogra from the post of Foreman (Mechanical) is justified and in order. If not, to what relief and exact amount of compensation, Shri Dogra is entitled to?"

Notices were issued to the parties and the claim petition has been filed before me. In his claim petition, the Petitioner has stated that he is not guilty of any of the charges framed against him and that he is the President of the Worker's Union and management has penalized him and that whole of the order of the Management is mala fide. The respondent management has filed a reply to this claim petition and had controverted all the pleas raised by the Petitioner.

The following issues have been framed by me on 22-2-1984

1. Whether the removal of the Petitioner by the respondent management is legal and justified? (OPR)
2. Relief.

The Enquiry files, Ex. R-1 to R-4, have been brought on record by the respondent management in order to substantiate that the removal from service of the petitioner were in accordance with the Standing Orders and the provisions of the Industrial Disputes Act, 1947. The Petitioner has made a statement on oath on 1-9-1985.

I have gone through the whole record including the Enquiry files and have heard the Authorised Representatives of the parties. My findings are as under:

### FINDINGS

#### Issue No. 1

With respect to charge No. 1, it may be stated that the Petitioner was questioned on 20-2-1982, vehicle No. HPC-301, for his visit to Pathankot and the movement chit was issued to him. He performed this journey on the said day by the said vehicle. In the Log-book of said vehicle, he has shown that journey covering 170 km. as official. In the note appended to the Log-book, it is stated that jeep was used by Shri Surjit Singh Dogra, President NHPC worker's Union, Surgani on 20-3-1982 for 170 km. The slip as well as the entries in the Log-book show that the jeep has been used by Shri Surjit Singh Dogra, President, NHPC, Worker's Union, Surgani. No bill has even been sent either to Shri Surjit Singh Dogra, President of NHPC Worker's Union or in his individual capacity or to his union. The Petitioner has explained that he had performed the journey in the capacity of the President of the Union to settle a dispute, which was scheduled at Pathankot between the workmen and the management. The Incharge of the vehicle, who has appended the note on the Log-book on 8-4-1982, has not sent the bill for payment of the journey covering 170 km. performed by the Petitioner. There is absolutely no explanation coming from the respondent management as to why this bill has not been sent to the Petitioner or his union. The Petitioner has not concealed the journey as he was permitted to use the vehicle by the Official concerned, who had issued him the journey slip. From the facts and circumstances on record it is perverse to find that the Petitioner is guilty of misconduct under this charge. I am of the clear view that finding of guilty in this charge is without any evidence. This charge No. 1, has not been found to be proved against the Petitioner. The mere fact is that he conducted the journey and it is not sufficient to hold him guilty. The circumstances, he cannot be punished by using the word 'Official'. I did not mean that he was performing the journey in connection with the affairs of the respondent management or otherwise in his individual capacity. The word 'Official' is just to explain that he is not performing the journey in private capacity, but in the capacity of the President of NHPC Worker's Union and that he will not be personally liable to pay the charges for the cause of the Union.

With respect to Charge No. 2, he stated that it is based on the allegations that the Petitioner had convened and addressed a meeting on 10-5-1982, without seeking the prior permission of the respondent management. In his address, he has canvassed the audience to cast their votes in favour of Shri D.R. Nirdoshi, a CPI nominee from the Bankhet Constituency for the 14th Vidhan Sabha elections.

the standing orders relevant for this charge are 28.34 and 28.64 in Ex. R-4, and read as under:—

- 28.34. Holding meeting with in the Project premises or establishment or estate or works premises without the previous written permission of the Management
- 28.64 Taking any active part in a meeting or demonstration organised by a political party.

In order to prove this charge, the respondent management has examined Shri Ram Swaroop, PW-14, before the Enquiry Officer. His statement appears at page 230 of the Enquiry File, Ex. R-5. I have perused the statement. Shri Ram Swaroop does not state that the meeting was organised by the Petitioner. The Petitioner, however, had addressed the meeting and he has spoken according to the memory of the witness. The following words were spoken by the Petitioner as stated by Shri Ram Swaroop PW-14:—

“हम स्वयंसेवकों के, पॉलि कार्पोरेशन को कि जि-होने हमारे बड़े वृत्तियन के जनरल मैकेनरी कमरेज निर्देशों को विचार बना के लिये पार्टी का टिकट दिया। तीन-चार हप्ताओ पर काफी बड़े-बड़े जमने हुए तथा सभी वर्गों ने इनका साथ देने का प्रयास करने दिया। फिर हमने कहा कि जो निर्देशों को सब ध्यान के साथने करने बिचार रखेंगे।”

In cross examination, Shri Ram Swaroop, PW-14, has stated that he did not know that the meeting was held for party propaganda. He also states that the flag of the all India Trade Union Congress was hoisted at the stage, and the flag of the Communist Party was hoisted at the stage. There is absolutely no other evidence on record. From the statement of Shri Ram Swaroop PW-14, it cannot be said that the Petitioner had organised that meeting nor it can be said that it was a party meeting for any party propaganda. It was, however, a meeting of the workmen, which was presided by Shri Mohinder Singh workmen. Shri Nirdoshi appears to be a workman of the Baira Silu Project. By speaking the words as extracted above, the Petitioner has not contravened the respondent's standing orders. This finding of guilty of the Petitioner on this charge is also the finding without any evidence.

The 3rd charge relates to an incident which occurred on 10-11-1982. It is alleged that the Petitioner went into the Office of Shri V. K. Abbey, Assistant Manager (Electricity) Division No. 1 and abused him and intimidated at the top of his voice. The other workmen present took offence to this misconduct of the Petitioner. Another such incident took place in the office of Shri V.K. Abbey on 27-1-1982. The other workmen present submitted a complaint on that very date in writing proposing an action to be taken against the Petitioner. The complaint is at page-17 of file, Ex. R-2. It may further be noted that the staff members, who were sitting in the office of Shri V.K. Abbey, had submitted joint resignation, dated 11-11-1982, which is at page-19 of Ex. R-2. It is not explained as to why no action has been taken for a pretty long time against the Petitioner for his misconduct committed by him on 27-1-1982 and 10-11-1982. It is also not been explained as to why these documents appearing at page-17 and 19 of file, Ex. R-2, were not mentioned in the details to be relied upon, in the list of documents supplied to the Petitioner at the time of the serving of charge framed and imputation of misconduct. In these circumstances, I am not persuaded to believe that these two complaints appearing at pages-17 and 19 of the file, Ex. R-2, come into existence on 27-1-1982 and 10-11-1982 respectively.

In order to prove both these incidents, the respondent management had examined 10 witnesses including PW-1, Shri V.K. Abbey, PW-2, Tek Chand PW-3, Hari Pal, PW-4, Sukh Dev Rana, PW-5, Subhash Chand, PW-6, Vijay Kumar Sharma, PW-7, Nand Kishore, PW-8, Ramesh Chander, PW-9, P. S. Dhumani and PW-10, Abdul Sherif.

The Petitioner had also examined 3 witnesses, Shri S.K. Johri, DW-4, Avtar Singh, DW-7 and Hardev Singh,

(PW) had also made a statement himself which appears at pages 2 to 53 of file Ex. R-5.

The Enquiry Officer directed the evidence under this charge No. 3 from pages 16 to 60 of the Enquiry file.

I have no hesitation to conclude that the Petitioner has misconducted himself on 27-1-1982 and 10-11-1982 as is being stated by the witnesses mentioned above. The Petitioner and the witnesses examined by him cannot justify the misconduct of the Petitioner committed by him. The Petitioner could canvas for the redressal of the grievances of the workmen in more purposful and suitable manner. He had conducted an act of indiscipline by misconducting himself in the presence of the Assistant Manager. He used absolutely un-parliamentary language to the Assistant Manager. Such an act of indiscipline was not justified. The findings recorded by the Enquiry Officer on this charge cannot be held to be perverse or without evidence. There are no reasons for me to interfere in these findings. But the removal of the Petitioner from service is a harsh penalty imposed on him. In the facts and the circumstances of this case, to me, it appears that such a harsh step should not have been for the mistake committed. The Petitioner is a foreman and is semi-literate person. He is the President of the Union, which has got hundreds of workmen as members. For the sake and for the cause of the workmen he had to run about in addition to his doing the job assigned to him by the respondent management. It appears that he lost his balance of mind and has uttered words, which he should have not said in the presence of the Assistant Manager. In the facts and circumstances of this case, I am inclined to modify the punishment imposed on the Petitioner. The Petitioner has put in 11 years of service. He is out of job since 9-3-1983, when he was removed from service. Before that he was under suspension during the course of enquiry held against him in December, 1982. I think, the ends of justice will be fully met, if four increments of the Petitioner are forfeited with cumulative effect. I order accordingly. The Petitioner will not be allowed any increments for the years 1983, 1984, 1985 and 1986. However, the Petitioner will be entitled to the back wages w.e.f. 9-3-1983 till date. The order, dated 9-3-1983, imposing penalty of removal from service of the Petitioner is hereby modified to the extent stated above. The Petitioner will be entitled to re-instatement with the respondent management immediately in accordance with the law. The Petitioner will be paid the back wages, which may be calculated in view of the modification of the order, dated 9-3-1983, as stated above. All these back wages must be paid to the Petitioner within one month from the publication of this award in the Rajpatra. It may, further, be clarified that the Petitioner must be paid full wages after he reports for duty with the respondent management as stated above.

In view of the aforesaid consideration, I decide this issue accordingly.

#### RELIEF

For the reasons stated above, the order, dated 9-3-1983, removing the Petitioner from service is modified. Four increments of the Petitioner which accrued to him during the years 1983, 1984, 1985 and 1986 are, forfeited with cumulative effect. The Petitioner is entitled to be reinstated and also entitled to all the back wages w.e.f. 9-3-1983. The Petitioner will report for duty after one month from the publication of this award. The respondent management is directed to pay all the back wages to the Petitioner for the period he remained out of service w.e.f. 9-3-1983 till to date. It is further directed that the respondent will take the Petitioner back in service on the expiry of the period mentioned above. The Petitioner will be paid the back wages, which may be calculated in view of the modification of order, dated 9-3-1983, as stated above. All these back wages must be paid to the Petitioner within a period of one month from the publication of this award in the Rajpatra. The parties are left to bear their

own costs of these proceedings. The copy of this award may be supplied to the party (s), if applied for.

Before Shri S. S. Kanwar, Presiding Officer, Labour Court, Himachal Pradesh

Case No. 521 of 1985

Bhagat Ram Ex-Sweeper

Petitioner

Versus

Commissioner, Municipal Corporation on Shimla,  
Respondent

Shri Bhagat Ram Petitioner in Person,  
Shri Dushan Singh, Authorised  
Representative of Respondent Management.

#### AWARD

This dispute is between the Municipal Corporation a pigmy Saffai Mazdoor Shri Bhagat Ram. He joined the respondent corporation as Sweeper in the month of August, 1982. His service has been terminated on 4-10-1983, by the respondent management. Shri Bhagat Ram is a Matriculate and it appears that he has joined the post with Municipal Corporation in the forced circumstances as he could not get another job.

After the termination of his services, he raised an Industrial Dispute and the same has been referred to the Court for determination vide notification dated 2-11-1984. The following question has been referred

"Whether the termination of the service of Shri Bhagat Ram, Ex-Saffai Mazdoor is in accordance with Law, if not, to what relief he is entitled to?"

Shri Bhagat Ram in his claim petition has challenged the order of termination of his services as illegal, void, invalid and nullity. According to him no enquiry whatsoever, was held against him and he has not been given any opportunity to defend himself. According to him no terminal benefits were paid to him as a result of the retrenchment of the services by the respondent.

The respondent management has filed the reply to this claim petition and has resisted the same. It has been contended that the petitioner is not a workman and as such this Court has no jurisdiction to entertain the claim of the petitioner workman. On merit, it has been stated that on the death of the mother of the petitioner on 31-7-1982 (who was also working as a Saffai Mazdoor) the petitioner was taken in service and his appointment was on probation. During this period of probation, his services could be terminated, if his work and conduct was not found satisfactory. His services have been terminated because he has not completed the probation period successfully. Similarly, his work and conduct was not adjudged satisfactory. Hence his services were terminated on 4-10-1983 by the impugned order. It has also been stated that he has been paid one month's wages as termed in the appointment letter. In these circumstances the question of his junior being retained in services is not relevant.

The petitioner workman has filed a rejoinder to the reply and has controverted all the pleas raised.

From the averments of the parties, the following issues arose and have been framed by me on 3-11-1985.

1. Whether the termination of the services of the petitioner is in accordance with rules, law and is justified? (OPR)
2. Whether this court has no jurisdiction to entertain this reference. (OPR)
3. Relief.

## FINDINGS

## Issue No. 1

In support of this case, the respondent management has examined Sh. Hari Ram, RW 1, Ram Dittou, RW 2 and Kishori Lal Sharma, RW 3. There is only one material placed on record showing that a show cause notice was given and an enquiry for the charges against the petitioner workman was held.

The order terminating the services of Shri Bhagat Ram is Ex P 3. It is reads as under:

The services of Shri Bhagat Ram a temporary Saffar Staff employed in the Health Department are no more required by the Municipal Corporation. Shri Bhagat Ram is, therefore, terminated from service forth with."

Cheque No. CC/54/129928, dated 4-10-1983 amounting to Rs. 586.20 (amount of one month's pay in lieu of notice is enclosed herewith).

By, Sd/-  
Cheque No. CC/129928 dated Municipal Committee,  
24 Shimla  
4-10-1983 amounting to Rs. 586.20  
page

The order as reads is an order of retrenchment of the services of the petitioner. It is not a penal order. But the provisions of section 25 F of the Industrial Disputes Act have not been complied with. The retrenchment compensation has not been paid to him nor he was the minor employee in his category of service. The principle of first come first served has been ignored. This retrenchment cannot be upheld.

As regards the respondent management, the work and conduct of the petitioner had not been found to be satisfactory. Hence his services were terminated. It was so, it should have been mentioned in the order itself. On this charge, an enquiry should have been held against the petitioner with a prior notice to him, so as to enable him to defend himself, but nothing of the kind has been done. The plea of the respondent management is that the work and conduct of the petitioner was not satisfactory, is not tenable.

Let us decide in support of action taken may now be considered. Hari Ram RW-1, is the Sanitary Tamadar. He was the in charge of the Truck of the corporation which is presumably employed for carriage of debris from the Lower Bazar to the dumping site at Fatu. He has stated that at the relevant times, the petitioner was on duty with this Truck in the Lower Bazar area. He was posted as a Saffar Mazdoor on this Truck under his control on 23.8.1983. He was further stated that the petitioner absented from duty on 23.8.1983 and 24.8.1983 and he was marked absent from duty and that he did make a report. He has further stated that the petitioner reported for duty again on 26.8.1983, but again absented from duty on 27.8.1983, about which, he made a report on 5.9.1983. The copy of this report is Ex. R-1.

Shri Ram Dittou Sharma, RW-2, is the Sanitary Inspector. He has stated that on 5.9.1983, during his routine inspection, the latrine of the Snowdon Hospital were not found cleaned. He asked the petitioner to clean the same, but he refused to do so. He made a report against him vide Ex. R-3. He was transferred from that beat and posted with the Truck under Shri Hari Ram

Shri Kishori Lal Sharma, RW 3, is the Food Inspector. He has stated that the petitioner was working under him. He had applied for leave on 8.9.1983 and also on 18.9.1983 vide his applications Ex. R-4 and R-5 respectively and that no leave was sanctioned to him, as no casual was found due to him.

The statements made by all these three witnesses clearly show that the petitioner is defaulter in attending the duties according to the respondent management. The petitioner could explain in more than one way. No opportunity has been given to him or explaining and defending himself. The principle of natural justice has been

contravened. I see no reasons as to why the respondent corporation could not afford any opportunity to the petitioner to explain his position. Simply because he was in probation, his services could not be terminated at their own will. Admittedly, Saffar Mazdoor Junior to him have been retained in service. The services of the petitioner, therefore, cannot be retrenched nor terminated in the way, it has been done.

Moreover, the refusal of the orders Ex P 4, dated 6.5.1984 and Ex P 5 dated 17.6.1984, show that the alleged absence from duty by the petitioner for these days were justifiable and the respondent management had been directed to pay him the wages of these days also.

In view of these circumstances, the termination, retrenchment of the services of the petitioner is not justifiable at all. He had not been given any opportunity to defend himself. The Penal order of termination of the services of the petitioner has been passed. This order dated 4.10.1983, cannot be upheld and the same is liable to be quashed and set aside.

I decide this issue accordingly in favour of the petitioner and against the respondent management.

## Issue No. 2

The petitioner is a Saffar Mazdoor and is a workman under the respondent management. His duties, admittedly were to lift the garbages from the road side land throw into the Truck. The Municipal Corporation has not been able to prove as to why the petitioner cannot be treated as a workman under the Industrial Disputes Act.

I decide this issue accordingly in favour of the petitioner and against the respondent management.

## REFLECT

In view of my findings on issue No. 1 and 2, the order Ex. P-1, dated 4-10-1983, terminating the services of the petitioner is hereby quashed and set aside. It is declared that the petitioner continued to be in the services of the respondent corporation in spite of the order Ex. P-3. He is entitled to all the back wages and all consequential benefits to which he is entitled to. The petitioner will report for duty immediately. The respondent corporation will pay the costs of these proceedings to the petitioner. The costs are quantified at Rs. 200/-. This award will be published in the *Rapid*. The copy of this award may be supplied to the parties, if applied for, free costs.

Case No. 479 of 1985

Darshan Singh and Others Petitioners

Versus

Secretary Punjab State Electricity Board, Patiala Respondent.

Shri S. S. Pathania, Chowkidar, Shanan Power House, Jogindernagar, AR of the Petitioner

Shri Kulwinder Singh, Legal Adviser to the Respondent Management, Authorised Representative of the Respondent.

## AWARD

The Punjab State Electricity Board has got its production unit in Mandi district of Himachal Pradesh known as Shanan Power House, Jogindernagar. The head office of this project is at Jogindernagar. It has got a number of employees including machine attendants and assistant machine attendants. The pay scales of the employees of this Board had been revised from time to time

since 1933. The last pay scale revision was enforced w.e.f. 1.1.1978. The machine attendants and assistant machine attendants are not satisfied with the pay scales granted to them. They have raised an Industrial Dispute, which had been referred to this Tribunal for determination. The following question has been referred to this Tribunal vide notification No. 8-8/80 Shram, dated 4th March, 1985.

"Whether there are anomalies in the pay scale revision of the machine attendants/assistant machine attendants of the Sharnam Project of Punjab State Electricity Board at Joginder nagar, District Muz, Himachal Pradesh with other category of workers. If so, the relief, the workers are entitled to in this respect?"

The petitioner working in their claim petition have detailed their claim and have pointed out that immediately before the revision of pay scale w.e.f. 1.1.1978, they were drawing the pay as under:

Machine Attendants 130-5-170-6-200.

Assistant Machine Attendants 110-1-127-117-6-190

In the revised pay scale w.e.f. 1.1.1978, they have been allowed the scales mentioned below:

Machine Attendants 400-10-450/15-525-15-600-20-660.

Assistant Machine Attendants 400-10-450/15-600.

They claim that keeping in view the scales allowed to other categories of post and the employees drawing the similar pay scales as those of the Petitioners, have been allowed the revised pay scales and are now entitled to the pay scales of Rs. 700-1200 (Machine Attendants) and 510-800 (Assistant Machine Attendants), but these scales are not being given to them in spite of their representations. It has further been contended that the Chief Engineer had, after consideration of this representation recommended that machine attendants be allowed the pay scales of Rs. 570-1080 and Assistant machine attendants be allowed the pay scales of Rs. 510-800 vide his letter, dated 7-4-1981, but this recommendation has not been accepted by the Board and they had to raise the Industrial Dispute, which is a subject matter of this reference.

The respondent Board has rejected this claim and has filed a reply. It has been alleged that the reference is bad in the eye of law and is void ab initio for the non-judgment of the parties nor this reference is maintainable.

They have contended that the Petitioners, have been allowed the scales of pay w.e.f. 1.1.1978 i.e. Rs. 400-600 in accordance with the general principles with respect to the revision of pay scales and that they are not entitled to any other scales of pay as is being claimed by them.

The Petitioners have filed a replication and had controverted the pleas raised by the respondent management and have asserted that they are entitled to the pay scales as claimed by them in their claim Petition.

From the averments of the parties, the following issues arose and had been framed by me on 6-10-1985:

1. Whether there are anomalies in pay scale revision of the machine attendants and assistant machine attendants of the Sharnam Power House of the Punjab State Electricity Board, Joginder nagar viz a viz other categories of workers. If so, to what scales of pay, the Petitioners are entitled to? (OPP)

2. Whether this tribunal has no territories power to entertain and answer this reference? (OPR)

## FINDINGS

### Issue No.1

In support of this issue, the petitioners have examined Chauri Das, PW 1 and Durbhan Singh PW 2 and have tendered in evidence documents, Ex P-1 to Ex P-17 and P-17A. The respondent management has examined Shri

M. C. Sharma, RW 1 and Shri (om Parkash, RW 2, and has tendered in evidence documents, Ex R-1 to Ex R-12.

I have heard the authorized representatives of the parties and have gone through the whole record. The oral evidence led by both the parties is not very much material and needs no consideration. The documentary evidence includes the letters and orders passed/passed by both the parties that immediately, before 1.1.1978, the following pay scales were allowed to the machine attendant and assistant machine attendants and these scales were revised w.e.f. 1.1.1978. The following table will reflect the limited scale of the petitioners.

Category	before 1.1.1978	Revision on 1.1.78
Machine Attendants	130-5-170-6-200	400-10-450/15-525-15-600-20-660
Assistant Machine Attendants	110-4-122/5-142-9-190	400-10-450/15-600

The authorized representative of the respondent has pointed out to the documents Ex R-1/A and annexure R-4/A. According to him, item No. 16 relates to the Head Mistry, and item No. 14 relates to machine attendants. Both Head Mistry and Machine Attendants were drawing the scales of pay Rs. 400-660 w.e.f. 1.1.1978. According to him the pay scales allowed to the Petitioners are in order and can be compared with the Head Mistry and that there is absolutely no anomaly.

It may be pointed out that vide Ex P-16 dated 23-8-1968, the post of Head Mistry has not been continued. Item No. 6 of Ex P-16, dated 2-6-1968, reads as under:

"In future, no recruitment shall be made for the post of Head Mistry and Head Electrical Mistry. Those in the workshop may be adjusted as Assistant Foreman of the Trade provided they are qualified for the work."

Ex P-16, clearly shows that the qualified Head Mistry have been adjusted as Assistant Foreman and unqualified Head Mistries have been retained in service as such. This does not compare favourable to the posts being held by the Petitioners. As will be presently seen, the Petitioners can hold the post only if they are having Industrial Training Institute training certificate besides other qualifications including the experience. The post held by the Petitioners Ex R-1/A, therefore, does not help the respondent at all to justify the grant of pay scale of Rs. 400-660 to Machine Attendants and Rs. 400-660 to Assistant Machine Attendants.

Further, more perusal of the documents, Ex R-6, R-8, R-9, R-11 and R-12 and Ex. P-4 and Ex P-7 when read together, the only conclusion, which can be derived is that the post of machine attendant and that of the assistant machine attendant can be compared with the post of Diesel Engine Drivers and unqualified Diesel Engine Drivers respectively and as such the Petitioners are entitled to the scales of pay allowed to the Diesel Engine Drivers and an unqualified Diesel Engine Driver.

The duties of the Diesel Engine Drivers are detailed in Ex R-9, which reads as under:

Further the duties of Machine Attendants and that of Diesel Engine Drivers are different from each other in any aspects. The major points of difference of the duties of two categories is as under:-

Diesel Engine Drivers	Machine Attendants
1. Checking of available diesel in diesel tank with dip stick.	NA
2. Watch lubrication of diesel engines and its accessories.	NA
3. Start Engine with the help of additional auxiliary i.e. compression unit.	NA

"Recently, the Board abolished the cadre of diesel Engine Driver and converted intoorman/ JE-II, vide Secretary, PSEB, Patiala office order No. 1239/ENG-7 (6)/VOL-IV, dated 25-11-1985 (copy enclosed). Had the duties been considered identical in respect of the two categories, the Board would have not converted the D.E.D. into Foreman JE-II."

The duties of the Machine Attendants are detailed in Ex. P-7, and read as under:—

"A Machine Attendant of Shift duty has to look after the entire auxiliary equipment of all Power House. Turbines/generators in the power house 15 M. W. each capacity i.e. operation of turbines generating panels, Turbine Panels, excitation cubic Panna House set of 3/4 M. W. capacity, controlling of air and oil prepare auxiliary equipment installed with each machine. They are power plant Operator/Attendants and not only the machine attendants so the change of designation of machine attendant/assistant machine attendant seems to be genuine and may be given due consideration".

These qualifications of the machine attendants and assistant machine attendants have also been mentioned at Sr. No. 7 and Sr. No. 13 of Ex. R-8, dated 9-6-1982. The perusal of these documents clearly shows that the duties of the machine attendants and assistant machine attendants are more onerous and responsible than the duties assigned to the Diesel Engine Drivers and un-qualified Diesel Engine Drivers.

Ex. P-3, dated 10-4-1981, indicates that before 1-1-1978 the Diesel Engine Drivers (un-qualified) were drawing the pay scale of Rs. 130-200 and it was revised to Rs. 400-600 w.e.f. 1-1-1978. This pay scale was revised to Rs. 570-1080 w.e.f. 1-4-1982. Ex. R-12, dated 12-8-1980 at internal page-10, Sr. No. 7 of the Appendix-A shows that the existing pay scale of Diesel Engine Drivers were Rs. 200-450 and it was revised to Rs. 570-1080 w.e.f. the date of issue of the letter i.e. Ex. R-12, dated 12-8-1980. Again, the pay scales were modified vide Ex. R-6, dated 16-3-82. The qualified Diesel Engine Drivers were allowed the revised pay scale of Rs. 700-1200 w.e.f. 1-1-1978. The un-qualified Diesel Engine Drivers were allowed the pay scale of Rs. 620-1200 w.e.f. 1-1-1978.

From the consideration of the aforesaid details, the post held by the Petitioners is comparable with the post of Diesel Engine Driver and un-qualified Diesel Engine Driver. The machine attendants (i.e. the Petitioners) and the Diesel Engine Drivers were drawing the same pay scale of Rs. 130-200 before 1-1-1978. The duties and responsibilities of the Petitioners are more onerous and more difficult than those of the Diesel Engine Drivers as mentioned above. I see absolutely no reason as to why the machine attendants should be granted the pay scale of Rs. 400-600 as against Rs. 700-1200 as is allowed to Diesel Engine Drivers (Qualified). Similarly, there is absolutely no reason to allow the pay scales of Rs. 400-600 as against Rs. 620-1200 to the assistant machine attendants as is allowed to the Diesel Engine Drivers (Un-qualified). The petitioners have been treated discriminately. The respondent management has not provided reasonable, sufficient and cogent reasons for not allowing the scales of pay as they have allowed to the Diesel Engine Drivers.

The authorised representative of the respondent in support of his contention pointed out that the pay scales allowed to the Petitioners are justified and need no comparison and do not suffer from any anomaly as cited in the judgement of the Hon'ble High Court of Punjab and Haryana passed by it on 14-9-1982 and AIR-1968, Supreme Court-349. I have perused both these citations. The judgement dated 14-9-1982 passed by the Hon'ble High Court of Punjab and Haryana is in fact the copy of the order dismissing the writ filed by Shri Baldev Singh, Accounts Officer, Roper Thermal Project, against the Punjab State Electricity Board in limine. The order when read closes that the main ground for dismissing the writ was that the different pay for different posts provides no occasion for invoking the writ jurisdiction of the

Hon'ble High Court of Punjab and Haryana. This is not the case before me. The reference has been made by the Government under section 10 of the Industrial Disputes Act, 1947 to this Tribunal and this Tribunal has to answer this reference. The evidence had been led. The arguments had been heard. The reference can be answered. The order dated 14-9-1982, is not helpful at all to the respondent management.

I have also perused AIR-1968, Supreme Court 349, State of Mysore and Others Vs P. Narayana Rao. The question to be decided by the Hon'ble Court was with respect to the collaboration of two grades of tracers, one for matriculate tracers with higher pay scales and others for non-matriculates with lower pay scales. It was held that this classification is reasonable and is not violative of Articles 14 and 16 of the constitution of India. The ratio of the decision of the Hon'ble Supreme Court with all the respect, I may state, was about the reasonableness of the classification. The question before me, is not of the reasonableness classification. Before me, the question to be determined is as to whether there exists any anomaly in allowing the pay scales to the Petitioners or not. The rulings cited by the authorised representative of the respondent management is, therefore, not helpful in the present case for the present purpose to determine the question in controversy between the parties.

From the aforesaid consideration, I am of the clear view that there is anomaly in the grant of the pay scales to the Petitioners. The Diesel Engine Drivers both qualified and un-qualified were in the pay scale of Rs. 130-200 immediately before 1-1-1978. These scales were revised to Rs. 700-1200 (Qualified Drivers) and Rs. 620-1200 (Un-qualified Drivers). The machine attendants are, therefore entitled to the scale of pay Rs. 700-1200 and assistant machine attendants are entitled to the Pay scale of Rs. 620-1200.

Before parting, I must point out that the Petitioners in their claim petition have claimed the scale of Rs. 700-1200 to the machine attendants and Rs. 510-800 to the assistant machine attendants. They have based their prayers on the basis of number of letters/orders issued by the respondent board from time to time. Simply because, the assistant machine attendants have claimed the pay scales of Rs. 510-800 will not stand in their way for getting the scale of Rs. 620-1200 as mentioned above to which they are entitled to. They are the workmen of the lowest category and they have not been represented by the lawer. The authorised representative of the Petitioners, himself is holding the post of a Chowkidar with the respondent management at Jogindernagar. This faulty prayer made by him, I think, should not stand in the way to grant the pay scales to the Petitioners to which they have been found to be entitled to as observed above. The interest of justice demands that the petitioners may be allowed the scale of pay for which they have been proved entitled to and I am inclined to do so in the interest of justice. In the result, I, conclude that there is an anomaly. They are entitled to the pay scales as allowed to the Diesel Engine Drivers and un-qualified Diesel Engine Drivers. As such machine attendants are entitled to the pay scales as are being allowed to the Diesel Engine Drivers i.e. 700-1200 and assistant machine attendants are entitled to the pay scales Rs. 620-1200 w.e.f. 1-1-1978. I decide this issue accordingly.

## Issue No. 2.

The Punjab State Electricity Board has got its Head Office at Patiala, but it has got its Shanar Power House with in the State of Himachal Pradesh. This Tribunal, therefore, has got jurisdiction to answer this reference. It may also be pointed out that this issue was not pressed by the authorised representative of the Respondent. I decide this issue accordingly in favour of the Petitioner and against the respondent management.

## RELIEF

In view of the aforesaid discussion, I award that there is an anomaly in the pay scales allowed to the Petitioners with the pay scales allowed to the Diesel Engine Drivers

The Petitioners are entitled to get the same pay scales as allowed to Diesel Engine Drivers w.e.f. 1-1-1978. Machine Attendants are entitled to get the scale of pay Rs. 700-1200 and assistant machine attendants are entitled to the pay scale of Rs. 620-1200. The arrears of the pay to which the individual machine attendants/assistant machine attendants are entitled to, may be paid by the respondent management in accordance with the directions and orders issued by the respondent management from time to time. The Petitioners may also be allowed increments in the pay scales allowed to them and the pay fixed in each and individual case w.e.f. 1-1-1978. The increments may be allowed when these accrued to the Petitioners. The respondent board will fix the pay scales of all the machine attendants and assistant machine attendants within a period of two months from today, failing which the affected workmen will be entitled to get appropriate relief by initiating appropriate proceedings. The copy of this award may be supplied to the parties free of costs, if applied for so that the implementation of this award may not be delayed. The copy of this award may be sent for publication in the Rajpatri. I leave the parties to bear their own costs of these proceedings.
